

LOADER QUICK COUPLER AEL

Easy, fast and safe tool changes.

Arden Equipment AEL quick couplers enable fast and automatic tool changes.

They optimise productivity by reducing downtime and making it easier to adapt the loader to a wide range of tasks.

They are designed to fit loaders from 6 to 34 tonnes, compatible with market standards.

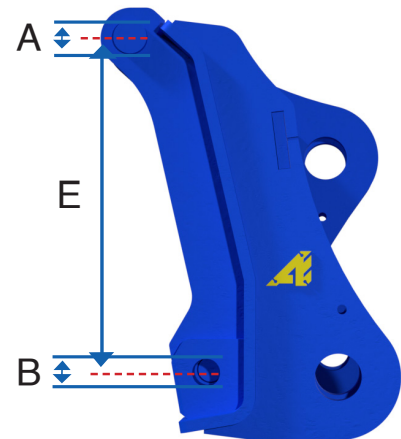

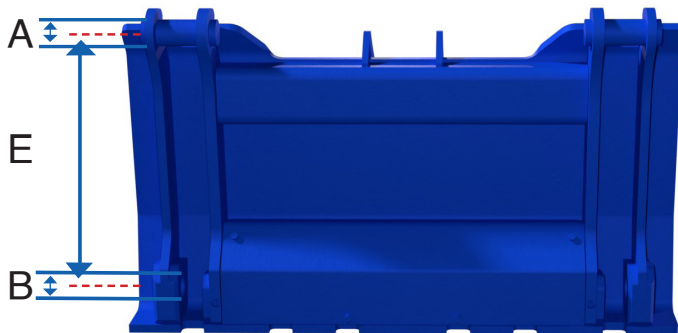

Characteristics

- ✓ Quick coupler compatible with a wide range of loaders
- ✓ Hydraulic quick coupler
- ✓ Visual locking indicator

Option

Hydraulic kit for AEL quick coupler
